

VIRTUAL TASTING FAQ

Q: Can multiple groups be on the same virtual tasting appointment?

A: Yes, absolutely! We welcome the opportunity for our virtual tastings to be gatherings of friends and family. See our document "Organizing a Multi-Group Virtual Tasting" for more details.

Q: Is there a specific schedule for the virtual tastings?

A: Currently we are allowing tasters to schedule their tastings at their convenience. Once an order is placed you will receive our "Virtual Tasting Guide" that will include a link to schedule your appointment. However, as demand grows we may have to resort to scheduled, group tastings.

Q: What Video Platform(s) are used for the tastings?

A: Our default platform is Zoom. You will receive a Zoom link to our account. Simply click the link and voila all of the beautiful faces of your friends and family appear with together with our Wine Acrobat!

Q: Do all groups in a tasting have to taste the same wines?

A: Yes! The process goes best when everyone tastes the same wines together. We are unable to accommodate groups tasting different packs.

Q: Can I add additional wines to a virtual tasting pack?

A: Yes, simply add them to your shopping cart and have them at the tasting and let us know that you would like our wine acrobat to include them.

Q: Can others 'attend' a tasting without purchasing a Virtual Tasting Pack?

A: We dedicate considerable time and effort to these tastings and ask that all groups participating in a tasting have purchased a virtual tasting pack.

Q: Do you host tastings for Businesses and Corporations?

A: Yes. Contact us about your specific needs and we can create a custom experience for you!
